WE MOVE THE WORLD

Relocate people around the world with one app

We support companies and individuals during the entire process of relocation. Our aspiration: a first-class customer experience. Our promise: the perfect interaction of intuitive technology, personal support and flexible service selection. Whether via our app or our platform: we find the best consultant for your needs. People are at the center of all our actions – we focus on fairness towards customers, employees and partners. This is how we set a new standard in the people mobility industry.

– *Seamless* – Whether app or platform: our solution enables the quick and easy selection and booking of the desired services

– *Transparent* – Transferees receive an accurate overview of costs & services and HR departments can track the transfer status of employees

– *Easy* – Individuals are supported by an experienced consultant during the move, HR departments avoid double data entry
