# BERLINER SPARKASSE SAVINGS BANK

## Berliner Sparkasse - so much more than just a bank

*Berliner Sparkasse was founded in 1818. As an indispensable part of Berlin, it is visible, well connected and integrated everywhere - both in business and socially. It is constantly expanding its offering and tailoring it to the needs of its customers. Nearly two million people are customers of Berliner Sparkasse.*

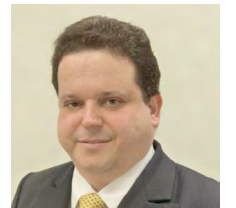

*As a modern universal bank, Berliner Sparkasse advises its customers on all financial matters. The focus is on retail business with private and corporate clients as well as regional commercial real estate financing. Moreover, Berliner Sparkasse advises its customers on their international business.*

*In addition to its traditional tasks, such as providing the people of Berlin with financial services or promoting saving and commerce, the focus is on public welfare. Through its three foundations, Berliner Sparkasse supports a wide range of projects in education, health, science, art, culture and sport. In addition, it is well connected through associations and co-operations in the city.*

— *Berliner Sparkasse is firmly anchored in the region. It has excellent networks and knows what the inhabitants of Berlin need or expect from a bank*

— *An essential part of our business is social commitment. In 2020, Berliner Sparkasse promoted public welfare with 4.5 million euros*

— *We try to make it easier for people to live a better life. Berliner Sparkasse is a bank for everyone and it is always there when you need it*
