# BERLIN PARTNER FOR BUSINESS AND TECHNOLOGY

## First choice: Berlin Partner for Business and Technology

*Business and technology support for companies, investors and scientific institutions in Berlin – this is the Berlin Partner for Business and Technology GmbH mission. With customized services and an excellent science and research network, our many experts provide an outstanding range of programs to help companies launch, innovate, expand and secure their economic future in Berlin.*

*A unique public-private partnership, Berlin Partner for Business and Technology collaborates with the Berlin State Senate and over 230 companies dedicated to promoting their city. Berlin Partner is responsible for marketing the German capital to the world.*

*Furthermore, Berlin Partner is the initiator of Start Alliance – a network between the biggest startup hubs around the globe, which supports startups and accelerates corporate innovations.*

- *Business and technology support for companies, startups, investors and science institutions*
- *Help companies to launch, innovate, expand and secure their economic future in Berlin*
- *Start Alliance supports startups to internationalize business models and accelerates corporate innovations*
