## Berlin Business Office, USA - Strengthening the connectivity between Berlin and the USA

Offering *cost-free and confidential* advice and services to Berlin and U.S. companies.

We promote

- Berlin-based companies expanding to the U.S.
- U.S.-based companies expanding to Berlin
- Berlin's startup ecosystem

We provide introductions to help Berlin companies with market exploration and entry across the U.S. We open doors to industry, associations, economic development agencies, research institutions, consulates and more.

For U.S. companies expanding to Berlin, we highlight Berlin's unique offerings in industry, science, academics, and tech foster that contribute to its competitive edge.

Decision-makers get comprehensive information and guidance from site selection to final decision.

Working in close collaboration with Berlin Partner, Berlin Chamber of Commerce and many other partners, we build bridges between both sides of the Atlantic.

– Berlin's U.S. Office opened in September 2019  
by Ramona Pop, Berlin Senator and Mayor for  
Economics, Energy and Public Enterprises

– Berlin stands out as an attractive location  
for ambitious entrepreneurs, companies and  
investors worldwide – U.S. is its top investor

– Focus industries: healthcare, ICT, transport/  
mobility/logistics, energy technologies,  
photonics, manufacturing and service  
industries
