

BERLIN PARTNER FOR BUSINESS AND TECHNOLOGY

Our service: your success in Berlin

Berlin Partner works on economic growth, promotes business, technology and innovation and presents the advantages of the capital to companies, investors and talents.

Berlin Partner supports companies and scientific institutions that are already established in the region in their expansion plans and connects them within the strong Berlin Partner network. In addition, Berlin Partner's experts provide information on funding opportunities and advise on the search for suitable locations or highly qualified personnel.

Berlin Partner's successes are measured by a range of indicators: the focus is on the number of jobs that can be newly created or secured in Berlin with the support of Berlin Partner. In addition, it is worth taking a look at the investment volume and third-party funds raised.
