

# Introduction to the Egyptian National Single Window Platform for Trade across Borders (Nafeza) and the Advance Cargo System

# Advance Cargo Information (ACI) Presentation Agenda

# Advance Cargo Information (ACI)

## Latest Updates

- ❑ Reduce the number of required data for the ACID requests;
- ❑ Handle the cases of “sister companies” under one account on Nafeza portal
- ❑ Handle the cases of companies that presence in various countries with various VAT ID’s to be linked under one account on Cargo X platform;
- ❑ Accept e-Documents for (e-MARK and ILAC certificates) without the necessity for original.

# Advance Cargo Information (ACI)
