Ministry of Health

Joint Statement

The Ministry of Trade and Export Development, the Ministry of Industry, Mines and Energy, and the Ministry of Health inform all suppliers that in order to ensure the quality of imported products and the safety of consumers, that they have jointly decided to adopt an ex-ante control system on import operations of commodities mentioned in the lists attached to this Statement, with the obligation to import these products directly from their manufacturing factories in exporting countries.

Opening foreign trade licenses to import products listed in this statement requires importers to present an invoice bearing an authorisation from the competent departments of the following public structures, each according to its field of competence:

- Ministry of Trade and Export Development.
- Ministry of Industry, Mines and Energy.
- Ministry of Health / National Authority for Food Safety

In order to obtain the aforementioned license, importers must submit an importation file to competent authorities referring to the product to be imported. The file shall contain the following documents:

- 1. An invoice received from the exporting factory.
- 2. A certificate issued by an official authority in the country of export relating to the legal entity of the factory and the license permitting it to practice its activity.
- 3. Proof of the factory's adoption of a quality control system.
- 4. A statement of the types of products to be imported.
- 5. The trademark of the product and the trademark that is produced under a license from its owning entity.
- 6. A form of the authorisation card for the products to be imported.
- 7. Free sale certificate issued by an official government agency in the country of export.
- 8. Documents and reports proving the quality of imported products in accordance with applicable specifications.

Competent bodies may request any additional document that helps check the quality and safety of imported products.

Competent bodies may also request the importer to provide samples of the product to be imported for inspection.

Below is a list of imports exempted from provisions of this Statement:

- Imports of the state, public institutions, establishments and local authorities.
- Imports of raw and semi-manufactured products for the benefit of the industrial sector, related services and the handicraft sector.
- Raw and semi-manufactured products, equipment and spare parts imported by industrials that are required for their activity,
- Imports of equipment and supplies destined for renewable energy production projects,
- Imports without payment or without currency exchange.
- Imports benefiting from tax exemptions such as imports of embassies and similar bodies, imports
 of companies operating under suspensive regimes, and imports made by Tunisians residing abroad
 who have projects or wish to participate in projects.
- Imports exempted from foreign trade procedures as stated in Decree No. 1743/1994 dated August 29, 1994.
- Postal parcels.

The Minister of Trade and Export Development may amend the list of products subject to this procedure as well as the list of documents required in the importation file by means of a correspondence addressed to concerned bodies.

This Statement enters into force on October 17, 2022, and therefore, all import operations for which foreign trade licenses were opened before this date are exempted from its provisions.
