**You are Invited to:**

# R-24 DELEGATION TOUR

**March 12<sup>th</sup>-13<sup>th</sup> 2024**

**Make your R-24 experience even more valuable with a delegation trip to some of the main partners behind the Nordics' largest robotics event.**

R-24 is the Nordic countries' largest fair covering Robotics, Automation and Drones, featuring the entire robotics ecosystem within construction, manufacturing, agriculture & horticulture, energy, and healthcare.

The fair welcomes thousands of visitors from all of Europe to **Odense, Denmark on March 13-15** – and now offers a limited number of seats on a series of delegation trips, visiting a handful of the companies driving the flourishing Danish robotics industry.

## **Why join the delegation tour?**

The delegation tour is your chance to:

- Experience cutting-edge robotics research, development, and production first-hand
- Network with leading figures in the Danish robotics' industry
- Attend exclusive talks and get key insights in the future of robotics

## **Included in the delegation tour:**

- 1 night March 12-13 at the 4-stars Hotel Odeon in the city centre including breakfast
- 2x lunch including beverages
- 1 x Networking Dinner for international delegation (food and beverages included)
- 1 day at R-24
- VIP Talks at R-24
- Guided tour in the R-24 exhibition in Odense Congress Center for the delegation only
- 5 site visits exploring the famous robotics ecosystem in Odense first-hand
- Transportation by bus and tram

**Price: €335 ex VAT**

---

# Program – March 12

## Delegation Tour

### *Experience the Robotics and Drone Ecosystem in Odense First-Hand*

#### **08.30 – 9.30: Arrival, breakfast, and pickup at Odense City Hall**

R-24 and Invest in Odense will welcome you all to the delegation tour at Odense City Hall. Here you will find a breakfast buffet and meet the rest of the group members.

Address: [Flakhaven 1, 5000 Odense C](#)

The route from Hotel Odeon to Odense City Hall is a 7 minutes' walk.

Please don't be late as the bus will leave at 9.30 and will not be waiting for anyone.

The bus will take us to all the site visits for the rest of the day.

#### **10.00 – 11.00: Robotics and Green Transition - Visit at Odense Port**

The world's first Robotics Centre for developing automation and robots to build large structures such as wind turbines, ships, and buildings in combined laboratory facilities, is being built at Odense Port. Although the building of the Centre will not be ready until 2025, we will visit the construction site and learn about the strategy, plans and use of the Centre.

#### **11.30 – 12.30: Drone Show and Company Visits – Visit at UAS Denmark**

We visit one of Europe's leading drone test centers in Hans Christian Andersen Airport. UAS Denmark offers the best possible conditions for drone startups, companies and public authorities and not least access to testing, knowledge, competencies, and an ecosystem of the highest caliber.

#### **12.30 – 13.00: Lunch at UAS Denmark**

#### **13.30 – 14.30: Visit at Danish Technological Institute and Odense Robotics Startup Fund**

We visit Danish Technological Institute (DTI) – an independent and non-profit research and development institute. DTI focuses on combining new research and existing technologies and will give us a tour around its large test and development facilities.

DTI is also home of the Odense Robotics StartUp Fund. The Fund is a new model for shaping successful robotic startups for generations to come. The independent commercial foundation offers early-stage robotic and drone startups from Denmark and abroad access to founder-friendly investment, cutting-edge know-how from leading robotic business leaders and world-class incubator facilities at DTI.

#### **14.45 – 15.45: Visit at University of Southern Denmark**

The Maersk Mc-Kinney Moller Institute at the Technical Faculty of University of Southern Denmark conduct research within robotics, drone technology, artificial intelligence, Industry 4.0, software as well as health and energy informatics. The visit includes learnings about their current research and a tour in their Industry 4.0Lab.

#### **16.00 – 17.00: Company Visit at Universal Robots**

They don't need any further introduction. We visit the world-famous company Universal Robots. After our visit at Universal Robots, the bus takes us to Hotel Odeon.

#### **17.30 – 18.15: Check-in at Hotel Odense**

Here, you have time to check-in and take a short break before our Networking Dinner. We meet in the hotel reception at 18.15 and walk (12 minutes) to Storms Pakhus.

#### **18.30 – 22.00: Networking Dinner at Storms Pakhus**

Storms Pakhus is a hundred-year-old warehouse that has been transformed into a street food mecca with 18 food stalls and 6 bars. Here, we will enjoy our dinner in a informal and cosy setting. Foods and beverages are included in the delegation tour.

#### **22.00: Return to Hotel Odeon**

You can either follow the group back to Hotel Odeon or stay and enjoy a night out in Odense.

## **Program – March 13**

### **Delegation Tour**

#### ***A day at R-24: Robotics, Automation & Drones***

##### **08.30: Transport to R-24**

Enjoy your breakfast in the hotel restaurant and remember to check-out before we meet in the hotel reception at 8.30. We go to R-24 in Odense Congress Center by tram and by walking. You can leave your luggage at the hotel or in the wardrobe at R-24. Please note that the wardrobe at R-24 is unmanned.

##### **09.00: Registration at R-24**

Please remember to register for R-24 before entering the event. Also please remember your ticket with your QR-code either on your smartphone or by print..

##### **09.30 – 10.00: R-24 opening**

Odense's Mayor Peter Rahbæk Juhl and the two R-24 Ambassadors Esben Østergaard, CEO, REInvest Robotics and Thomas Visti, Chairman, Visti Unlimited will open R-24.

##### **10.00 – 11.30: Guided tour in the exhibition – for the delegation only**

##### **11.30 – 12.00: Lunch – included in the delegation tour**

##### **12.00 – 16.00: R-24 on your own**

Feel free to explore the exhibition and the conferences at R-24. Also remember to use the matchmaking sessions to expand your network of interesting people from the robotics and drone industries.

You find the R-24 conference program here Sign up for matchmaking here:  
[roboticsevent.eu/forside-gaest/konferenceprogram](http://roboticsevent.eu/forside-gaest/konferenceprogram)

##### **16.00: Thank you for your stay**

R-24 closes at 16.00. You are very welcome to stay and explore R-24 on March 14th and March 15th as well. Please let us know if you want to expand your stay at Hotel Odeon when you register for the delegation tour.

## **Hotel information**

### **March 12th - 13th 2024**

#### **Hotel Odeon, Odeons Kvarter 11, 5000 Odense C**

Hotel Odeon is an oasis in the heart of the vibrant centre of the Hans Christian Andersen neighbourhood, close to shopping, attractions, restaurants, and nightlife. Hotel Odeon combines first-class international standards with the best of Funen, inviting relaxation and leisurely contemplation, in a warm and calm ambience.

The delegation tour includes one night stay at Hotel Odeon from March 12th – March 13th including breakfast\*.

**Check in on March 12th from 3pm\*\*.**

**And Check-out on March 13th no later than 11am.**

Directions to Hotel Odeon [hotelodeon.dk/en/directions](http://hotelodeon.dk/en/directions)

Parking at Hotel Odeon [hotelodeon.dk/en/vision/parking](http://hotelodeon.dk/en/vision/parking)

\*If you arrive on March 11th and need to expand your stay at Hotel Odeon, please inform us when registering for the delegation tour.

\*\*You can leave your luggage at Hotel Odeon before arriving at Odense City Hall at 8.30.
