### To whom it may concern

Subject: Authorized Electronic certificate of origin, signatures and stamp specimen

The Mongolian National Chamber of Commerce and Industry (MNCCI) is pleased to inform you that, as of 01 January 2026, Certificates of Origin (hereinafter: certificates) for Mongolian exports will be issued in an electronic format.

To meet the expectations of international trade partners, we have launched the <http://certorigin.membership.mn:8080/validate/> online platform. This platform enables exporters to electronically submit applications and receive Electronic certificates, while importers can instantly verify their authenticity online.

#### Benefits of Electronic certificates of Origin:

- Each Certificate is secured with an electronic certificate of the Mongolian National chamber of Commerce and industry.
- Authenticity verification is available online at <http://certorigin.membership.mn:8080/validate/>
- We accelerate economic efficiency – electronic documents can be sent instantly worldwide.
- Reduced waiting time from application submission to certificate issuance.
- Minimized paper document circulation.

**For your reference, we have attached a specimen of the Electronic certificate of origin.**

We would be most grateful for your support in providing this information to all institutions involved in trade between our countries.

We sincerely hope that the digitalization initiatives undertaken by the Mongolian National Chamber of Commerce and Industry, particularly regarding the issuance of certificates of origin, will be well received.
